A partition plate is used for the optical separation of circuits or used for electrical isolation from neighbouring cross-connectors. In contrast to the end plate, the contour can be larger than the adjacent terminal blocks. However, it should not be smaller, as otherwise the required clearance and creepage distances within the application can no longer be maintained.

General ordering data

Version	Partition plate (terminal), Intermediate plate, 86 mm x 62 mm, dark beige
Order No.	1058800000
Type	WTW EN
GTIN (EAN)	4008190140175
Qty.	20 pc(s).
