

PLOTTER PEN 0.35 P-INK**Weidmüller Interface GmbH & Co. KG**

Klingenbergstraße 26

D-32758 Detmold

Germany

www.weidmueller.com

Our MCP plotters complement the Weidmüller MultiCard concept and can be used with Weidmüller's M-Print® PRO software. They are particularly suitable for printing individual markers or parts of MultiCards. The positioning frame for SlimFix markers sizes 4 to 6 can be used to print MultiCards for terminals, cables, wires, and devices. The MCP label positioning frame is used to print labels.
